पाकिस्तान को अमरीकी सहायता

*125. **श्रीमती रत्न कुमारी** : क्या **प्रधान मंत्री** यह बताने की कृपा करेंगे कि :

(क) क्या अमरीका सरकार ने हाल ही में भारत को इस आशय का कोई आश्वासन दिया है कि पाकिस्तान द्वारा काश्मीर के मामले पर युद्ध छेड़े जाने की स्थिति में वह पाकिस्तान को कोई सहायता या समर्थन नहीं देगा; और

(ख) यदि हां, तो उसका ब्यौरा क्या है ?

विदेश मंत्रालय में राज्य मंत्री (श्री एडुआर्डो फेलेरियो) : (क) जी नहीं।

(ख) प्रश्न नहीं उठता।

श्रीमती रत्न कुमारी : महोदया, क्या सरकार का ध्यान समाचार-पत्रों में छपे इस आशय की ओर गया है कि अमरीका के विदेश मंत्री जेम्स बेकर ने पाकिस्तानी विदेश मंत्री जो जून के महीने में अमरीका में ही थे, उन्हें अमरीका के रवैये की जानकारी दी ? यदि हां, तो क्या भारत सरकार को अमरीका द्वारा सरकारी तौर पर कोई ब्यौरा दिया गया है, उसकी विस्तृत जानकारी क्या है ?

SHRI EDUARDO FALEIRO: Madam, I would submit that maybe, because of translation or otherwise, I am unable to appreciate the specific import of this question. But I can volunteer some information that will be useful to meet the concern of the hon. Member. Madam Deputy Chairman, while the United States Government has not given any specific assurance, as sought in this question the United States Government has shown a qualitatively clear perception and appreciation of the situation in this region by condemning terrorism globally, by mentioning, by necessary implication, Pakistan is supporting terrorist activities in this country. Now, I may like to mention here for the information of the House, through you, Madam, the latest report of the State Department of the United States, which is a report made under legal provisions, which mandates the State Department to provide this information to the US Congress and this information is named:- "Patterns of Global Terrorism in 1991" and this report is of April 1992. The United States State Department, for the first time said and I quote:

> "There were continuing credible reports throughout 1991 of official Pakistani support for Kashmiri militant groups engaged in terrorism in Indian-controlled Kashmir as well as the support to Sikh militant groups engaged in terrorism in Indian Punjab—the support allegedly includes provision of weapons and training."

This is a qualitative improvement in the perception of this region, I have for the first time said this and I may mention again that last Thursday and the Thursday before that, in a World Net interview, that is a satellite link-up, between the State Department spokespersons and interlocutors from Islamabad, among others, from this region, this position was made very clear: (1) that the US Administration opposses terrorism and by implication has called upon Pakistan to desist from supporting terrorism in our country and (2) that the U.S. Administration swears and believes that Simla Agreement is the forum the only forum, for settlement of the disputes and differences that exist between India and Pakistan.

श्रीमती रत्न कुमारी : महोदया, मेरा पूरक प्रश्न यह है कि कश्मीर पर पाकिस्तानी हमले की स्थिति में और काश्मीर में पाकिस्तानी उग्रवादियों की सहायता को ध्यान में रखते हुए क्या भारत सरकार ने अमरीका से कोई अनुरोध किया है कि पाकिस्तान को आतंकवादी देशों की सूची में शामिल कर लिया जाए ? यदि नहीं तो क्या सरकार ऐसे किसी सुझाव पर विचार कर रही है ?

SHRI EDUARDO FALEIRO: Madam Deputy Chairman, yes, we have been able to put this point across that our neighbour is really fuelling terrorism in this country. And now we see that not merely the United States Administration but other countries like the U.K. and many other countries which were, in fact, ambiguous, if I may say so, until recently on this issue are coming out clearly against terrorism globally, coming out clearly against terrorism supported from across the border inside India.

SHRI S. JAIPAL REDDY: Madam, in view of the increasing perception in various parts of the world, as has been rightly stated by the Minister, Pakistan is promoting terrorism in various parts of India, particularly in Punjab and Kashmir, what steps does the Government propose to take to get Pakistan declared as a terrorist state, as a state which promotes terrorism, by the concerned international bodies?

THE DEPUTY CHAIRMAN: That is what he has answered. That was the Hindi question. ... *(interruption)*

SHRI EDUARDO FALEIRO: I would respectfully submit to the hon. Member, I say that we have made this point and we have made this point with great success, and convinced the world opinion and countries of great importance internationally that this is really the position, terrorism is being supported from across the border in India. It is for those countries obviously to take necessary steps in furtherance, but they have acknowledged the position.

SHRI YASHWANT SINHA: Madam, we all know that Pakistan is waging a low-intensity war in Kashmir and a number of steps have been taken by the Government, but I would like to know specifically from the hon. Minister one question in view of the latest report of the State Department of the U.S. and their understanding of the situation. Has tre Government of India taken up or will they take up with the Government of U.S. the question of complete stoppage of all supply of arms to Pakistan? Even outside of the Pressler Amendment, that is still being supplied to Pakistan. Will you take up this question with the U.S. Government?

SHRI EDUARDO FALEIRO: Madam, while the Pressler Amendment has connotations which the House knows, the policy of U.S. Administration has been that commercial transactions in their understanding, the understanding of the U.S. Administration, do not come within the scope of the Pressler Amendment. According to the U.S. Administration, only U.S. aid and U.S. Government's supply for commercial transactions come in the scope of Pressler Amendment. Private commercial transactions, according to the understanding of the U.S. Administration, do not come within the scope of the Pressler Amendment. However, even here the policy of the U.S. Administration has been that even private companies will not sell to Pakistan greater technology on existing weapon system or new weapon system.

SHRI YASHWANT SINHA: Will you take up the complete stoppage of supply of arms to Pakistan? That was my question.

SHRI VIREN J. SHAH: What is the answer? Will you take it up with them?

SHRI EDUARDO FALEIRO: The answer is that there is no supply of new weapon system... *(interruption)* ...

SHRI VIREN J. SHAH: He is asking for the complete stoppage.

SHRI EDUARDO FALEIRO: Now, they only supply spare parts for the existing weapons. The suggestion of the hon. Member will be considered.

THE DEPUTY CHAIRMAN: Question Hour is over.
